

# Ariana Grande, Everytime

[Intro]

Back to you, back to you, back to you  
Back to you, back to you, back to you  
I go back to you, back to you, back to you everytime

[Verse 1]

I get tired of your no-shows  
You get tired of my control  
They keep telling me to let go  
But I don't really let go when I say so  
I keep giving people blank stares  
I'm so different when you're not there  
It's like something out of Shakespeare  
Because I'm really not here when you're not there

[Pre-Chorus]

I've tried to fight our energy  
But everytime I think I'm free

[Chorus]

You get high and call on the regular  
I get weak and fall like a teenager  
Why, oh why does God keep bringing me back to you?  
I get drunk, pretend that I'm over it  
Self-destruct, show up like an idiot  
Why, oh why does God keep bringing me back to you?

[Post-Chorus]

I go back to you, back to you, back to you  
Back to you, back to you, back to you  
I go back to you, back to you, back to you everytime

[Verse 2]

Just when I get on a new wave  
Boy, you look at me and I slip outta my lace  
They keep calling me a head-case  
'Cause I can't make a good case why we can't change

[Pre-Chorus]

I've tried to fight our energy  
But everytime I think I'm free

[Chorus]

You get high and call on the regular  
I get weak and fall like a teenager  
Why, oh why does God keep bringing me back to you? (back to you, baby)  
I get drunk, pretend that I'm over it  
Self-destruct, show up like an idiot  
Why, oh why does God keep bringing me back to you?

[Post-Chorus]

I go back to you, back to you, back to you (I go back to you)  
Back to you, back to you, back to you (back to you)  
I go back to you, back to you, back to you everytime  
I go back to you, back to you, back to you  
Back to you, back to you, back to you  
I go back to you, back to you, back to you everytime
