

Ariana Grande, I Believe in You and Me

I believe in you and me
I believe that we will be
in love eternally
well, as far as I can see
you will always be the one for me
(oh, yes you will)

I believe in dreams again
I believe that love will never end
and like the river finds the sea

I was lost now I'm free
'cause I believe in you and me

I will never leave your side
I will never hurt your pride
when all the chips are down, heh
I will always be around

Just to be right where you are, my love
Oh, you know I love you boy

I will never leave you out
I will always let you in
to places no one's ever been

deep inside can't you see
that I believe in you and me, Oh

Well, maybe I'm a fool
to feel the way I do
but, I will play the fool forever
just to be with you forever

I believe in miracles
and ah-who's a miracle
and yes, baby you're a dream come true

I was lost
now I'm free
my darlin', I believe in you and me

See I was lost
now I'm free
'cause I believe in you and me

Ooh!
Oh, yes I do
I believe in you and me
