

Ariana Grande, I Don't Care

[Verse 1]

Used to cry 'bout some crazy shit before
I used to feel so obligated to be so much more
I used to let some people tell me how to live and what to be
But if I can't be me, then fuck's the point? No...

[Chorus]

I don't care about it anymore, oh
I don't care about it anymore

[Verse 2]

Now I laugh about the things that used to be important to me
Used to have a hold on me, used to have a hold
Like what do you think
And what he thinks and what they think
But I love me
I don't care about it anymore, oh
I don't care about it anymore

[Outro: Harmonization]

Yeah

I-i-i-

I-i-i don't care about it anymore

I-i-i don't care about it anymore
