

# Ariana Grande, Into You (ft. Mac Miller)

[Verse 1: Ariana Grande]

I'm so into you, I can barely breathe  
And all I wanna do is to fall in deep  
But close ain't close enough 'til we cross the line, hey, yeah  
So name a game to play, and I'll roll the dice, hey

[Pre-Chorus: Ariana Grande]

Oh baby, look what you started  
The temperature's rising in here  
Is this gonna happen?  
Been waiting and waiting for you to make a move  
Before I make a move

[Chorus: Ariana Grande]

So baby, come light me up and maybe I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation, and a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you, oh yeah

[Verse 2: Mac Miller]

Baby this a microphone check  
What you gettin' into when you get 'em  
When I wake up probably I'm gonna text ya  
Heard you got a man  
Baby I could do it better  
And I really ain't complaining  
I just want you to remember  
How it was, how it is, how it could be  
You could put me here, you could push me  
Or we can go for a ride, in the sky  
Looking up, you're a high  
You ain't never gotta lie  
Cause it's more than just pussy  
For the night everything's alright  
When you lay down I'mma hit the lights  
If you say so  
What's a life if you don't got me  
Give you what you want, what you need  
What you came for  
Hit me up when you're feeling blue  
And I tell how I'm feeling too, so you know  
I just want to get into you  
Right here in the living room  
Let's go

[Chorus: Ariana Grande]

So baby, come light me up and maybe I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation, and a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you, oh yeah

[Bridge: Ariana Grande]

Tell me what you came here for  
Cause I can't, I can't wait no more  
I'm on the edge with no control  
And I need, I need you to know

You to know, oh

[Chorus: Ariana Grande]

So baby, come light me up and maybe I'll let you on it  
A little bit dangerous, but baby, that's how I want it  
A little less conversation, and a little more touch my body  
Cause I'm so into you, into you, into you  
Got everyone watchin' us, so baby, let's keep it secret  
A little bit scandalous, but baby, don't let them see it  
A little less conversation and a little more touch my body  
Cause I'm so into you, into you, into you, oh yeah

[Outro: Ariana Grande]

So come light me up  
So come light me up, my baby  
A little dangerous  
A little dangerous, my baby  
A little less conversation, and a little more touch my body  
Cause I'm so into you, into you, into you
