

Ariana Grande, Listen

Listen, mmm

To the sound from deep within
It's only beginning to find release
Oh the time has come for my dreams to be heard
They will not be pushed aside and turned into your own
All cause you won't listen

Listen

I am alone at a crossroads
I'm not at home in my own home
And I've tried and tried to say what's on my mind
You should have known
Oh now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I fought with the voice you gave to me
But now I gotta find my own

You should have listened

There is someone here inside
Someone I thought had die so long ago
Oh I'm screaming out for my dreams to be heard
They will not be pushed aside or burned into your own
All cause you won't listen

Listen

I am alone at a crossroads
I'm not at home in my own home
And I've tried and tried to say what's on my mind
You should have known
Oh now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I fought with the voice you gave to me
But now I gotta find my own

I don't know where I belong

But I'll be moving on
If you don't, if you won't
Oh listen!
To the song here in my heart
A melody I started but I will complete
Oh now I'm done believing you
You don't know what I'm feeling
I'm more than what you made of me
I fought with the voice you gave to me
But now I gotta find my own
