

Ariana Grande, Motive (feat. Doja Cat)

Tell me why i get this feeling
That you really wanna turn me on
Tell me why i get this feeling
That you really wanna make me yours

Cause i see you trying
Subliminally trying
To see if i am gon' be the one that's in your arms

I admit it's exciting
Parts of me gonna like it
But Before i lead you on

Bebey tell me what's your motive
what's your motive
what's your motive
so tell me what's your motive
what's your motive
what's your motive

i could call bullshit out from a mile away
don't say
you want me if you cn't keep coming back for me
right out to carve you if just can't talk straight
just sayin'
say what you mean cause you may get it

Cause i see you trying
Subliminally trying
To see if i am gon' be the one that's in your arms
I admit it's exciting
Parts of me gonna like it
But Before i lead you on

Bebey tell me what's your motive
what's your motive
what's your motive
so tell me what's your motive
what's your motive
what's your motive

[Doja:]
you treat me like gold baby
now you wanna spoil me
did you want a prophy
or you wanna sport me, baby?
Put me on your neck
Cause you wanted respect
Cause you ghting some more baby
Well i had to bring the sts out
Had to put a wal lup
But don't trust phonies baby
You gotta tell me what's your motive baby

Cause you got your Candy on your arm
No need yo sugerboat a lie
Say what you want, i needed a real bonfide G
Can you promise me you'll bring it all tonight
Cause i need you to be wise
Tell me everything hat on youre mind

what's your motive
so tell me what's your motive
what's your motive
