

# Ariana Grande, My Everything

I cried enough tears to see my own reflection in them  
And then it was clear  
I can't deny, I really miss him  
To think that I was wrong  
I guess you don't know what you got til it's gone  
Pain is just a consequence of love  
I'm saying sorry for the sake of us

He wasn't my everything till we were nothing  
And it's taking me a lot to say  
But now that he's gone, my heart is missing something  
So it's time I push my pride away

Cause you are, you are  
You are my everything  
You are, you are  
You are my everything

I know you're not far but I still can't handle all the distance  
You're traveling with my heart  
I hope this is a temporary feeling  
Cause it's too much to bare  
Without you and I know sorry ain't the cure  
If I cross your mind just know I'm yours  
Cause what we got is worth fighting for  
Cause you are

You were my everything till we were nothing  
And it's taking me a lot to say  
But now that you're gone, my heart is missing something  
So it's time I push my pride away

You are, you are  
You are my everything  
You are, you are  
You are my everything
