

# Ariana Grande, Ridiculous

[Intro]

La-la, la-la, la-la, la  
La-la, la-dee-da

[Verse 1]

This love that I'm feeling  
Is not like another feeling, I know  
I can't explain it, oh  
This love that you give me  
Is making me feel things I don't know, no, no  
Boy, you make me feel so good  
It's so special, special to me  
So good  
You're the element I needed, hey  
You're super cool  
Can't make me let you go  
You take my breath away  
It's like you cast a spell on me  
(Ridiculous love)

[Chorus]

This is ridiculous  
This is ridiculous  
This is ridiculous  
This is ridiculous

[Verse 2]

If I go a day without you  
I know you're thinking of me  
Wondering what I'm doing  
Wondering what I'm thinking  
I want you all to myself  
Don't want nobody else  
Boy, you know you're my baby, baby  
All I see is you, standing right there  
Looking so sexy, baby, hey  
Now you got me feeling, feeling, feeling  
Like loving on you, and touching you  
I'mma seduce you, baby, baby  
It's like you cast a spell on me  
(Ridiculous love)

[Chorus]

This is ridiculous  
This is ridiculous  
This is ridiculous  
This is ridiculous

[Bridge]

I love you, you love me  
We should be together  
Ridiculous  
Boy, boy, boy  
Boy, don't you know you're a star  
Hope you don't wreck my heart

[Outro]

This is ridiculous  
This is ri-, this is ri-  
This, this  
This is ridiculous  
This is ri-, this is ri-  
Thi-thi-thi-thi, this is ri-  
Di-di, di-di

Di-di, di-di  
This is ri-  
Di-di, di-di  
This is ridiculous
