

Ariana Grande, The Way (feat. Fabolous)

[Intro: Ariana Grande]

I love the way, you make me feel
I love it, I love it
I love the way, you make me feel
I love it, I love it

[Verse 1: Fabolous]

Yeah... this chick got me feelin' some type of way
If men are dogs then I guess I be the type to stay
Feelins grow over time
Diamonds go over time
So we gotta stop playing, no over time

[Verse 2: Ariana Grande]

You give me that kinda something
Wanted all the time, needed everyday
On a scale of 1 to 10 I'm at a 100
Never get it off, I can't stay away

[Bridge: Ariana Grande]

If you want, I got it, I got it everyday
You can get whatever you need from me
Stay by your side, I'll never leave you
And I ain't going nowhere cause you're a keeper

[Hook: Ariana Grande]

So don't you worry, baby you got me
I got a bad boy, must admit it
You got my heart, don't know how you did it
And I don't care this is it babe
I don't wanna hide the way I feel you next to me
I love the way you make me feel
I love the way
(I love the way)
Baby I love the way you make me feel
I love the way, the way I love

[Verse 3: Ariana Grande]

Oh, so crazy you get my heart jumping
When you put your lips on mine
And honey ... ain't a question, (question)
Boy I know just what you like

[Bridge: Ariana Grande]

If you want, I got it, I got it everyday
You can get whatever you need from me
Stay by your side, I'll never leave you
And I ain't going nowhere cause you're a keeper

[Hook: Ariana Grande]

So don't you worry, baby you got me
I got a bad boy, must admit it
You got my heart, don't know how you did it
And I don't care this is it babe
I don't wanna hide the way I feel you next to me
I love the way you make me feel
I love the way
(I love the way)
Baby I love the way you make me feel
I love the way, the way I love

[Verse 4: Fabolous]

Looking good feeling better
Picture us still together

Haters see the shine
Want a jacket like chilly weather
But we ain't worry about nothin' we ain't worry about nothin'
I know you gonna ride like that car parked out front
Boy don't even talk about stuntin'
She walk out when she want
Bought them red bottoms 'cuz she ain't walked out once
And I love the way you make me feel
My thirsty ex get no refill

[Outro]

So don't you worry, baby you got me
I got it bad boy, must admit it
You got my heart, don't know how you did it
And I don't care this is it babe
I don't want another way to feel you next to me
I love the way you make me feel
I love the way
(I love the way)
I love the way
Baby I love the way you make me feel
I love the way, the way I love you
The way I love you
The way I love you
The way I love you, you, you, you, yeah
I love the way you make me feel
I love it, I love it
I love the way you make me feel
I love it, I love it
The way I love you
