

# Ariana Grande, True Love

On that first day of Christmas  
When you gave me all them kisses  
Boy, you showed me things  
Come hold me please, and never let me go  
On that second day of Christmas  
Said you felt like something's missing  
So you promised me that promise ring to keep 'til we get old, boy

On that third day of Christmas  
We got all in our feelings  
Said 'I love you' and meant it, oh  
On the fourth, we committed  
Any time, he could get it  
He's the real one, I know it

Look at all the things my true love gave to me  
My true love  
My true love  
You are my true love  
Look at all the things my true love gave to me  
My true love, my true love  
You are my true love  
(Ah-ah-ah-ah-ah, oh-oh, ah-ah)  
You are my true love

On the fifth day of Christmas  
You asked me what's on my wishlist  
And I told you all I wanted was forever with my boo  
After six days in your arms  
I got that tattoo on my heart  
'Cause I'm your moonlight, you're my star  
And nothing's shining more than you, boy

You completed the vision  
Now I feel like I'm living  
You're so one in a million, oh  
I'm so glad we committed  
Any time, he could get it  
He's the real one, I know it

Look at all the things my true love gave to me  
My true love  
You are my true love  
You are my true love  
Look at all the things my true love gave to me  
My true love, my true love  
You are my true love  
(Ah-ah-ah-ah-ah, oh-oh, ah-ah)  
You are my true love
