

Ariana Grande, What Will My Scandal Be

They'll say "she's a hot mess" or "what a disgrace";
They'll say "is that botox in her butt or in her face";
"That tweet about the juice was in really poor taste";
Oh, what will my scandal be?

Maybe I'll throw a fit in an LA hotel
I'll make life for the stuff, a true living hell
I'll puke in the pool or pimp slap a dam - oh shit
So what will my scandal be?

Woman: Ariana! I was just in your dressing room smelling all your clothes and you just left your cell
Ariana: Oh my God, that would be amazing!
Woman: No, no, no...
Ariana: When I was a little girl, my momma told me, that I'd grow up and make millions of strangers

Maybe diet pills will scramble my brain
Or light up in first class and get kicked off a plane
Maybe I'll have a love child with Drake or 2 Chainz
What will my scandal be?

Man: Hey, Ariana! I overheard! Do you like wanna smoke some pot or something?
Ariana: Pot? Let's smoke some crack, man!
Man: I'm good!

Imagine what they'll say
Imagine what they'll write
I could have slip a nip at the Superbowl
And ruin my career overnight

I'll have my own scandal
I'll carry on scandal

What will by scandal be?
