Arlo Guthrie, Shackles And Chains

by Jimmie Davis

On a long lonesome Journey I'm going Oh darling, and please don't you cry Though in shackles and chains they will take me In prison to stay till I die

And at night through the bars I gaze at the stars And I long for your kisses in vain A piece of stone I will use for my pillow While I'm sleeping in shackles and chains

Put your arms thru these bars once, my darlin' Let me kiss those sweet lips that I love best In heartache you're my consolation In sorrow my haven of rest

And at night through the bars I will gaze at the stars The plans that we made were in vain A piece of stone I will use as my pillow While I'm sleeping in shackles and chains
