

Asaf Avidan, Anagnorisis

Finally, it's clear
Its always been you
Rain stars to fall
Follow it up
To where it beind
Deep in the ocean
Around our bodies
Anagnorsis

Finally, i know
Drenched to the bone
What you call home
I call redemption
Peripetia

It alwaysends bad
This time it won't end

Rain starts to fall
Drowning my body
I swim to you
How long ha sit been
Dormant inside me
Sleeping away

Lovi is a wave
Around our bodies
Lovie is a wave
Inside our bodies
