Ash, I Only Wanna Be With You

I don't know what it is that makes me love you so I only know I never want to let you go You started something Oh can't you see Ever since we met you've had a hold on me It happens to be true I only want to be with you

It doesn't matter where you go or what you do I want to spend each moment of the day with you Love has happened with just one kiss I never knew that I could be in love like this It's crazy but it's true I only want to be with you

You stopped and smiled at me Asked if I cared to dance I fell into open arms And I didn't stand a chance

Now listen honey
I just want to be beside you everywhere
As long as we're together honey I don't care
You started something
Oh can't you see
Ever since we met you've had a hold on me
No matter what you do
I only want to be with you

You stopped and smiled at me Asked if I cared to dance I fell into open arms And I didn't stand a chance

Now hear it honey
I just want to be beside you everywhere
As long as we're together honey I don't care
You started something
Oh can't you see
Ever since we met you've had a hold on me
No matter what you do
I only want to be with you
Oh no matter, no matter what you do
I only want to be with you
