

Ashlee Simpson, LaLa

You can dress me up in diamonds
You can dress me up in dirt
You can throw me like a lineman
I like it better when it hurts
Oh, I have waited here for you
I have waited
You make me wanna lala in the kitchen on the floor
I'll be a French maid when I meet you at the door
I'm like an alley cat
Drink the milk up, I want more
You make me wanna
You make me wanna, scream
You can meet me on an aeroplane
Or in the back of a bus
You can throw me like a boomerang
I'll come back and beat you up
Oh, I have waited here for you
Don't keep me waiting
You make me wanna lala in the kitchen on the floor
I'll be a French maid when I meet you at the door
I'm like an alley cat
Drink the milk up, I want more
You make me wanna
You make me wanna lala in the kitchen on the floor
I'll be a French maid when I meet you at the door
I'm like an alley cat
Drink the milk up, I want more
You make me wanna
You make me wanna, scream

Lala, lala, lala, lala
I feel safe with you
I can be myself tonight
It's alright with you
'Cause you hold my secrets tight
You do, you do
You make me wanna lala, lalala, lalala, lalalala, lala
You make me wanna lala, lalala
You make me wanna lala in the kitchen on the floor
I'll be a French maid when I meet you at the door
I'm like an alley cat
Drink the milk up, I want more
You make me wanna
You make me wanna lala in the kitchen on the floor
I'll be a French maid when I meet you at the door
I'm like an alley cat
Drink the milk up, I want more
You make me wanna
You make me wanna, scream
You make me wanna lala, lalala, lalala, lalala, lala
You make me wanna lala, lalala, lalala, lalala, lala
You make me wanna lala, lalala, lalala, lalala, lala
You make me wanna lala, lalala, lalala, lalala, lala
Lala, lala, lala, lala
Lala, lala, lala, lala
Lala, lala
