Ashlee Simpson, LaLa

You can dress me up in diamonds You can dress me up in dirt

You can throw me like a lineman

I like it better where it boute

I like it better when it hurts

Oh, I have waited here for you

I have waited

You make me wanna lala in the kitchen on the floor I'll be a French maid when I meet you at the door

I'm like an alley cat

Drink the milk up, I want more

You make me wanna

You make me wanna, scream

You can meet me on an aeroplane

Or in the back of a bus

You can throw me like a boomerang

I'll come back and beat you up

Oh, I have waited here for you

Don't keep me waiting

You make me wanna lala in the kitchen on the floor I'll be a French maid when I meet you at the door

I'm like an alley cat

Drink the milk up, I want more

You make me wanna

You make me wanna lala in the kitchen on the floor I'll be a French maid when I meet you at the door

I'm like an alley cat

Drink the milk up, I want more

You make me wanna

You make me wanna, scream

Lala, lala, lala, lala

I feel safe with you

I can be myself tonight

It's alright with you

'Cause you hold my secrets tight

You do, you do

You make me wanna lala, lalala, lalala, lalala, lala

You make me wanna lala, lalala

You make me wanna lala in the kitchen on the floor I'll be a French maid when I meet you at the door

I'm like an alley cat

Drink the milk up, I want more

You make me wanna

You make me wanna lala in the kitchen on the floor I'll be a French maid when I meet you at the door

I'm like an alley cat

Drink the milk up, I want more

You make me wanna

You make me wanna, scream

You make me wanna lala, lalala, lalala, lalala, lala

You make me wanna lala, lalala, lalala, lalala, lala

You make me wanna lala, lalala, lalala, lalala, lala

You make me wanna lala, lalala, lalala, lalala, lala

Lala, lala, lala, lala

Lala, lala, lala, lala

Lala, lala
