

Assigned, All Alone

All alone I am waiting here
Hundreds of people but no one pays attention to me
Everyone is ignoring me
And I don't know what I'm doing wrong

Ref:

Where Are You?

I feel so alone.

My face is showing you my fear

I can't stick it any longer here

Running away, don't know where to hide

I don't know who is gonna hear me

Only you can pull me out

But I can't feel you now
