

# Astrud Gilberto, Corcovado (Quiet Nights)

Quiet nights of quiet stars  
Quiet chords from my guitar  
Floating on the silence that surrounds us  
Quiet thoughts and quiet dreams  
Quiet walks by quiet streams  
And a window that looks out on Corcovado  
Oh, how lovely  
Quero a vida sempre assim (I want life to always be like this.)  
Com voc&eacute; perto de mim (With you right next to me)  
At&eacute; o apagar da velha chama. ('till the love ends.)  
E eu que era triste (And I who was sad)  
Descrente deste mundo (Having lost faith in this world)  
Ao encontra voc&eacirc; eu conheci (I found you and then I knew)  
O que &eacute; felicidade, meu amor (what happiness is, my love )  
This is where I want to be  
Here with you so close to me  
Until the final flicker of life's ember.  
I who was lost and lonely believing life was only  
A bitter tragic joke, have found with you,  
The meaning of existence, oh my love.
