

ATB, Ben Samama, Like That

You kinda got me in a bad way
Your kinda bitter ain't a bad taste
I'm kinda staying up till mad late
Thinking how you make me feel
Something I ain't tryna feel

I don't know what's happening, you're in my brain
Got me so manic, I'm going insane
Spinnin' in circles, no honestly
I just started to think

I am stuck on you all the time
But i am going out my mind for you
Ain't nithing feeling insane
Cuz i don't even think about you like that

Don't know what's happening
You're in my brain
Got me some manic
I am going insane
Spinnin' in circles
No honestly
I don;t even think about you liek that

think about you liek that
I don;t even think about you liek that

Got me giving you my won time
Think i am going out my own mind
Now we talking sex liek my
Thinking how yuyou make me feel
Something i ain't tryna feel

I am stuck on you all the time
But i am going out my mind for you
Ain't nithing feeling insane
Cuz i don't even think about you like that

Don't know what's happening
You're in my brain
Got me some manic
I am going insane
Spinnin' in circles
No honestly
I don;t even think about you liek that
