

# Athlete, Modern Mafia

Tell me something I don't know  
'Cause we've been there ten times before  
Make it up as we go along  
In so deep it can't be wrong  
It's obvious that

This is modern mafia  
They're scared of us; they're scared of us  
It's time for us to redefine  
So fix your eyes, fix your eyes  
This is modern mafia  
They're scared of us; they're scared of us  
I don't want to be on my own  
I need a home, I need a home

There's a look that's in your eye  
Dancing like a Samurai  
In silence you're still listening  
'Cause somewhere something's happening  
It's obvious that

This is modern mafia  
They're scared of us; they're scared of us  
It's time for us to redefine  
So fix your eyes, fix your eyes  
This is modern mafia  
They're scared of us; they're scared of us  
I don't want to be on my own  
I need a home, I need a home

This is modern mafia  
They're scared of us; they're scared of us  
It's time for us to redefine  
So fix your eyes, fix your eyes  
This is modern mafia  
They're scared of us; they're scared of us  
I don't want to be on my own  
I need a home, I need a home

This is modern mafia  
They're scared of us; they're scared of us  
It's time for us to redefine  
So fix your eyes, fix your eyes
