

Atomic Kitten, Holiday

(aeroplane)

Holiday, hey hey, run away, hey
Now we've been workin should be playing hard
Out in the sun and the sea
Not in our own back yard
I Wanna see us in the paradise
Yeah with the heat turned up
And all the drinks on ice

(chorus)

What do you say? (what do you say?)
We're leaving to day e yay e yay hey
We're going on a holiday hey hey
We're gonna get away (get away)
We're going on a holiday hey hey
We're gonna run away hey!

The tropicana where the drinks are free
Yeah there'll be a boy for you
And Two or Three for me (oh yeah)
I wanna see us staying up all night
And never sleep on the beach
Unless he's mr right (you know it)

(chorus)

What do you say? (what do you say?)
We're leaving to day e yay e yay hey
We're going on a holiday hey hey
We're gonna get away (get away)

We're gonna run away hey!

Holiday in the sun, ooh ooh, party!
So come on!

(chorus)

What do you say? (what do you say?)
We're leaving to day e yay e yay hey
We're going on a holiday hey hey
