

August Alsina x ZAYN, Don't Matter

when we put in the work
it's gon' be along night
came baby where you live
won't take no time

when I'm all in the middle
where you wanna go now?
we could bring it up top
tell me what's on your mind

I be knockinfg down the walls every
time you make that call
you be changing all your plans
but you're calling me youe man

you got something I can feel baby
girl, it's been so long
I been I been having withdrawals
I been having withdrawals

wouldn't you know it
tell me if you know this
I've been doing good
we got it all, baby
right all my wrongs, baby
loving you so good

I don't know how to feel when I'm close to you
late nights holding you
laid my eyes on you
I'm gon ride for you
when i'm close to you, late nights holding you
we ain;t got all day
don't really care what they say
it don't matter to me /8x

it don't matter to me
I bring the sand to the beach
dive in the ocean, we rocking the boat
Girl, you look like Aaliyah to me
one in a million, you're one of a kn
baby you blowing, you're blowing my mind
all of my neighbors they wanna know why

I be knockinfg down the walls every
time you make that call
you be changing all your plans
but you're calling me youe man

you got something I can feel baby
girl, it's been so long
I been I been having withdrawals
I been having withdrawals

wouldn't you know it
tell me if you know this
I've been doing good
we got it all, baby
right all my wrongs, baby
loving you so good
