

Autograph, Turn Up The Radio

I'm working hard, you're working too
We do it every day
For every minute I have to work
I need a minute of play
Day in, day out, all week long
Things go better with rock
The only time I turn it down
Is when I'm sleepin' it off

(CHORUS)

Turn up the radio
I need the music, gimme some more
Turn up the radio
I wanna feel it, got to gimme some more

Now listen
I wanna shake, I wanna dance
So count it off, 1 2 3
I feel the beat, I'm in a trance
No better place to be
Daytime nighttime, anytime
Things go better with rock
I'm goin' twenty four hours a day
I can't seem to stop

(CHORUS)

I wanna feel it, got to gimme some more

(CHORUS) to end
