

# Ava Max, On Somebody

heartbreak  
heartbreak is a motherfucker  
i know /2x  
but I found a way to deal through  
deal through  
it took work to get wheels are moving on  
wheels are moving on  
can't stay /2x  
on a user lover  
you thought /2x  
it too work to get these feelings tuning off  
feelings tuning off

oh my, my, my, my, my  
I see you moving side to side  
2 hands on you that aren't mine  
you never know how much you're on somebody  
til they're on somebody's else  
so my, my, my, my  
I wish eyes knew how to lie, lie, lie  
you never know how much you're on somebody  
til they're on somebody's else
