## Avalon, God Is In Control

This is no time for fear

This is a time for faith and determination

Don't lose the vision here carried away by emotion

Hold on to all that you hide in your heart

For there is one thing that has always been true

It holds the world together

God is in control

We believe that His children will not be forsaken

God is in control

We will choose to remember and never be shaken

There is no power above or beside Him, we know

Oh, God is in control, oh, God is in control

History marches on

There is a bottom line drawn across the ages

Culture can make its plan, oh but the line never changes

No matter how the deception may fly

There is one thing that has always been true

And it will be true forever

God is in control

We believe that His children will not be forsaken

God is in control

We will choose to remember and never be shaken

There is no power above or beside Him, we know

Oh, God is in control, oh, God is in control

Oh, He has never let you down

Why start to worry now? Why start to worry now?

He is still the Lord of all we see

He is still the loving Father watching over you and me

Watching over you, watching over me

Watching over everything

Watching over you, watching over me

Every little sparrow, every little key, every little key

God is in control

We believe that His children will not be forsaken

God is in control

We will choose to remember and never be shaken

There is no power above or beside Him, we know

Oh, God is in control, oh, God is in control, oh, God is in control
