

# Avalon, Hide My Soul

Here I am with nothing left to say  
How can I even speak?  
All my dreams  
Life scattered like ashes beneath my feet  
Can you see the pain behind the smiles  
The tears run down my face  
Will the sun ever shine on me again?  
Where can I hide, oh, oh?  
Where can I hide, oh, oh?  
Where can I hide, oh, oh?  
I will hide my soul in Jesus  
I will rest my heart in Him  
When the storms of life rush over me  
I will not let them in  
There will be no pain in heaven  
But for now and until then  
I will hide my soul in Jesus  
Now I know there's nothing I can do  
Nothing that I can say  
You alone are the anchor of my soul  
Don't let me slip away  
Can you see all the pain behind my smile  
The tears run down my face?  
Will the sun ever shine on me again?  
Where can I hide, oh, where can I hide, where can I hide?
