## Avalon, The Greatest Story

Some days your own resolve is strong
And other days you bend
it's two steps forward, one step back
and a stumble now and then
You wonder if you'll ever really make the difference
you've prayed that you will
Well, I know that prayer will be fulfilled 'cause

## (Chorus)

Your life woven day by day is a new design of the glory God displays on the canvas of creation Through the poem of history in the pattern of redemption running through the tapestry Your life in Christ can be the greatest story ever told

You cannot see the hands of God or feel the grace that flows from Him through you to those you touch In ways you'll never know you cannot measure worth by human standards That's always a lie oh, you have to see through heaven's eyes how...

## (Chorus)

In the light of eternity Standing face to face you will finally see for the very first time you'll understand your perfect place in the master plan and how...

(Chorus)
