

Average White Band, Nothing You Can Do

It's real, you know you're with me all the time
No matter where you are
No one can steal your love
You gotta realize they won't get far

I can't give you up
No, not without a fight
Don't wanna let it up
Just got to hang in tight
C'mon fill me up
With your sweet, sweet lovin'
You got to set it up
Ain't no use in runnin'

'Cause there's
Nothing you can do
Could make me stop
Lovin' you baby
Nothing you can say
Could make me break away

You're mine, but I can't do a thing about it
It takes time to get there
And I just wanna sing about it to ya, yeah

I can't give you up
No, not without a fight
Don't wanna let it up
Just got to hang in tight
C'mon fill me up
With your sweet, sweet lovin'
You got to set me up
Ain't no use in runnin'

Cause there's
Nothing you can do
Could make me stop
Lovin' you baby
Nothing you can say
Could make me break away
