

# Avi Kaplan, Feel Alright

When the dark is deep yeah it sure is wide  
Can't afford to pay no mind  
Devil wants to call my name  
But his word don't work in the holy reign

Whether I'm flying high  
Or I fall flat here tonight  
I feel alright  
I feel alright  
I feel alright  
I feel alright

I broke my chains and I spread my wings  
Ain't no trouble gonna ride on me  
I walk my path and I take my time  
Gotta keep it loose to feel alright

Whether I'm flying high  
Or I fall flat here tonight  
I feel alright  
I feel alright  
I feel alright  
I feel alright

Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright  
Loosen up and you'll feel alright

I feel alright  
I feel alright  
I feel alright  
I feel alright  
I feel alright  
I feel alright  
I feel alright  
I feel alright
