Avicii, Believe (ft. Ariana Grande)

Being love is alive every minutes Don't you stop Looking up Sky is the limit So don't stop coz We've got so much more to live

When the week over come Forever I've been pushing on It's anxiety

Jus believe

Believe Believe

When you are In darkness place Help me feel that way Reach for shooting star

We can me like a work of art __live our __ Crash into broken past And tell

When the week over come Forever I've been pushing on It's anxiety

Jus believe
