

# Avicii, Friend Of Mine (ft. Vargas & Lagola)

hey, do you remember we said Hello  
And you asked me about my Levi's t-shirt  
said: You are a friend of mmine?  
MMy oh my  
You mast have saved me about a thousent times  
I wouldn't be the one I am today  
if you hadn't been a friend of mine

I ain't misbehaving  
I'm just telling you the truth  
take my love for granted  
I'd give it all to you  
make me count for something  
I feel it in my heart  
god only knows what I'd have been  
if you hadn't been a friend of mine
