

Avicii vs Nicky Romero, I Could Be The One (Nicktim)

Do you think about me when you're all alone?
The things we used to do we used to be
I could be the one to make you feel that way
I could be the one to set you free

Do you think about me when the crowd is gone?
It used to be so easy, you and me
I could be the one to make you feel that way
I could be the one to set you free

I could be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free

When you need a way to beat the pressure down
When you need to find a way to breathe
I could be the one to make you feel that way
I could be the one to set you free

If you need to see me when the crowd is gone
It used to be so easy can't you see?
I could be the one to make you feel that way
I could be the one to set you free?

I could be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
I could be the one to make you feel that way
I could be the one to set you free
