

# Avril Lavigne, Won't Let You Go

When you're falling, you're crashing  
When your fire has turned to ashes  
When you're screaming, your heart is bleeding  
When you're feeling, like there's no reason  
I won't let you go  
No I, I won't let you go

It's when you're all alone and it's cold and there's no one to hold  
When you're feeling lost, and there's nowhere  
There's nowhere to go  
When you're feeling sad, don't forget you can reach for my hand  
When you're feeling down just remember  
I won't let you go  
I won't let you go  
I won't let you go  
I won't let you go

When you're torn down, when you're messed up  
Don't you give in, no, don't you give up  
When you're drowning, and you're fading  
Always know that, I'm always waiting  
And I, I won't let you go  
No I, I won't let you go

It's when you're all alone and it's cold and there's no one to hold  
When you're feeling lost, and there's nowhere  
There's nowhere to go  
When you're feeling sad, don't forget you can reach for my hand  
When you're feeling down just remember, remember, remember

When I said forever  
I know that I meant "forever"  
And I won't let you down  
I can always be found  
And I'm always around

When you're all alone, it's cold, there's no one to hold  
When you're feeling lost, and there's nowhere, nowhere  
When you're feeling sad, don't forget you can reach for my hand  
When you're feeling down just remember  
I won't let you go  
I won't let you go  
I won't let you go  
I won't let you go  
I won't let you go
