

Axwell & Ingrosso, Dreamer (ft. Trevor Guthrie)

heavy on your heart
heavy on your mind
wandering the streets tonight

if you're looking for a home
you are not alone
I can be your guiding light

cause I promise you
I'm a dreamer too

heavy on your heart
wandering the streets tonight

When it all counts for something
and you pocket's full of noting
let's get high on believing
I can promise you
yes I am a dreamer too

we are dreamers
always and forever
let's get high on believing
I can promise you
yes I am a dreamer too

I can promise you
yes I am a dreamer too

let's get high on believing
I can promise you
yes I am a dreamer too

heavy on your feet
heavy on your knees
walking down the winding road

cause I promise you
I'm a dreamer too

heavy on your feet
walking down the winding road

When it all counts for something
and you pocket's full of noting
let's get high on believing
I can promise you
yes I am a dreamer too

I can promise you
I can promise you
yes I am a dreamer too

we are dreamers
always and forever
let's get high on believing
I can promise you
yes I am a dreamer too
