

Ayzha Nyree, No Guidance Remix

What is this love and war?
He now that i love him
Got 'em fucking me raw
He know i ain't with it never did it before
He got me all in my feelings
Now he got you all in yours

It's like taht
He ain't never leaving
Or he coming right back
I know that he need it
Cuz shawty gone bite back
And he don't want nobody else hittin' it like that

Before i die i am tryna fuck you baby
Hopefully we don't have no babies
Ion even wanna go back home
Hopefully you don't leave on your own
Before i die i am tryna fuck you baby
Hopefully we don't have no babies
Ion even wanna go back home
Hopefully you don't leave on your own

I just want him belssin' me
Ion want ya bag

Give ya best to me
Shawty got the bread
And the recipe
He already know it
Why she testin' me
I am so fly i rock margiela
I won;t die till i get bette
Money and clout
Won;t get me wetter
I need real love
I need hella

Before i die i am tryna fuck you baby
Hopefully we don't have no babies
Ion even wanna go back home
Before i die i am tryna fuck you baby
Hopefully we don't have no babies
Ion even wanna go back home
