## B.B. King, Accept My Love

I don't even know your name But I love you just the same If you let me hold your hand Then I think maybe I can make you understand If you only, only knew Just how much I love you Loving you the way I do Then you'd take the night to love me too I'd like the picture on the wall So please don't let me fall It's my heart I'm thinkin' of So please, please accept my love If you let me be your slave Your love I'll cherish to my grave And if you should die before I do I'll, I said I'll, I'll end my life to be with you Yes, I will!
