## B.B. King, Actions Speak Louder Than Words

You won't listen to nothing I tell you, baby
You keep on doing just as you please
Hey, you won't do nothing I tell you, baby, keep on doing as you please
I've taken as long as I can, baby, when is this foolishness gonna cease
I've worried myself crazy, baby, cried both night and day
I said I've worried myself crazy, baby, cried both night and day
You don't believe me, baby, but I'm gonna leave you one of these days
Well, you told me that you love me, but actions speak louder than words
Oh, I won't be fooled no longer, baby, but action speaks louder than words
Oh, I won't be fooled no longer, baby, that line everybody's heard
Well, if you're gonna change, baby, you better do it real soon
Hey, if you're gonna change, for the better, baby, you better do it real soon
Because you'll wake up one of these mornings
