

B.B. King, Any Other Way

Caught me in, in the palm of your hand
I'm right where you knew that I would land
So, baby, if you'll love me everyday
I wouldn't want it, I wouldn't have it any other way
You make me jump like a puppy on a string
But when I'm in your arms I feel like a king
So, baby, if you'll love me everyday
I wouldn't want it, I wouldn't have it
I wouldn't want it any other way
Take my lips, my arms, darling, take all of me
You can do what you please but just don't set me free
Baby, if you'll love me everyday
I wouldn't want it, I wouldn't have it
I wouldn't want it any other way
You know I wouldn't want it, baby
I wouldn't have it, baby in any other way
Just tell me you love me
All I wanna hear from you, baby
I don't want it any other way
Baby, I wouldn't want it any other way
Just say you love me because I need it
Don't wanna have it any other way
