

B.B. King, At Last

At last
My love has come along
My lonely days are over
And life is like a song

At last
The sky above is blue
My heart was wrapped in clover
The night I looked at you

I found a dream
That I could speak to
A dream that I
Can call my own
I found a thrill
To press my cheek to
A thrill that I
Have never ever known

You, you smiled
And then the spell was cast
And here we are in heaven
For you are mine at last

I found a dream
I found a dream
That I could speak to, baby
A dream that I
Can definitely call my own
I found a thrill
I found a thrill
To press my cheek to
To press my cheek to
A thrill that I
Have never ever known

You smiled
You smiled, baby
And then the spell was cast
And here we are in heaven
Yeah, yeah, yeah
For you are mine
At last
You are mine at last
At last
You're mine, baby
