

B.B. King, Caldonia

Hey, I'm walking with my woman
She got great big feet
Long, lean and angry
She ain't had nothing to eat
But she's my woman
And I love her just the same
She's a fine looking woman
And Caldonia is her name

Now here we go!

Caldonia, Caldonia
What makes your big head so hard
I love her
Yeah, I love her just the same

Give me that now.

I'm crazy about the woman
'Cause Caldonia is her name

Can we do it once more?

Caldonia, Caldonia
What makes your big head so hard, oh

Caldonia, Caldonia, Caldonia
