B.B. King, Don't Change On Me

Girl, you're my sunshine You chase away the raindrops Make it all worthwhile Make all the pain stop Just like a river you keep love flowing Don't let our world stop, keep it growing

Oh I like you just the way you are Honey, don't change on me Don't change on me Please don't change on me Girl, you're my lucky star Don't change on me Don't change on me (Please) don't ever change

I used to wonder where would I find Some kind of happiness and peace of mind I was living in darkness Oh but then you came Bringing in the sunlight And easing my pain

Oh I like you just the way you are Honey, don't change on me Don't change on me Please don't change on me Girl, you're my lucky star Don't change on me Don't change on me (Please) don't ever change

If there's a heaven
Then this is my prayer
Lord knows I want to know you
If we ever should meet there
And then forever we'll walk together
Nothing but sunshine
And no more stormy weather

Oh I like you just the way you are Honey, don't change on me Don't change on me Please don't change on me Girl, you're my lucky star Don't change on me Don't change on me (Please) don't ever change
