B.B. King, Get These Blues Off Me

Baby, please don't be angry with me
Honey, because I'm goin' away
Oh, please don't be angry with me, baby
Because I'm goin' away
I told you all about your mistakes, baby
But you didn't hear a word, not a word I said
I'm tired, so tired of worryin'
Baby, I don't know just what to do
Hey, I'm tired, I'm so tired of worryin' now
I don't know just what to do
Oh, I'm sorry for you, baby
But you know I just, I just can't put up with you
Oh, I tried to please you, baby
But you know you just weren't satisfied with me
Oh, I tried, fell hard to please you
But baby, you weren't satisfied with me
I'm gonna let you go now, baby
