

# B.B. King, Gonna Keep On Loving You

Say what you wanna  
Say what you please  
It don't make no difference, baby  
You're all right with me  
I'm gonna keep on loving you, baby  
I'm gonna keep on till the day I die  
I keep on loving you  
Baby, because the way you satisfy

I'm gonna tell you one thing  
I'm not gonna say it again  
The way I love you, baby  
You know it's a doggone sin  
Gonna keep on loving you  
I'm gonna keep on loving you, woman  
Baby, until the day I die, yeah
