

# B.B. King, I Just Can't Leave Your Love Alone

You let me down  
All over town  
I guess by now I should be gone  
Yet here I stand  
Still in your hands  
Cause you're the best I've ever known

I try and try to say good-bye  
I just can't leave your love alone  
And after you what will I do  
I just can't leave your love alone

I walk away most everyday  
Don't need a love that hurts me so  
Then every night you get it right  
Until I'm moaning soft and low

I try and try to say good-bye  
I just can't leave your love alone  
And after you what will I do  
I just can't leave your love alone
