

# B.B. King, I Like To Live The Love

My song is a serious matter  
It reflects what I feel  
If I say I love you, I mean it  
`Cause in my song  
Every line is for real

Every man or woman  
Enjoys going home  
To a peaceful situation  
To give love and receive love  
Without any complications

Whether my tune is short or long  
Whether my lyrics are weak or strong

I like to live the love  
That I sing about in my song  
I like to live the love  
That I sing about in my song

Music is love  
And my love is music  
In perfect harmony  
So when I sing  
I have sung all about  
The love of you and me

I never got angry with my guitar  
`Cause when I strike a chord  
It gives me what I wanna hear  
So I'm finding out that  
We are quite like my song together, my dear

Outside answers  
Should always be forbidden  
Problems should be solved  
And never hidden

I like to live the love  
That I sing about in my song  
I like to live the love  
That I sing about in my song
