## B.B. King, I Love You So

Oh my darling I was so lonely Searching for you and for you only Oh my darling I love you so

Oh my darling my love is true Longing for you, no one else will do Oh my darling I love you so

When I first saw you dear I knew you were alone I said to myself that I'd make you my own Your brother caught us kissing I though he would surely tell Until he started playing those wedding bells

Now my darling I'm yours forever Don't ever leave me, leave me never Oh my darling I love you so

Oh yes it's true, now I have you And best of all I know now That I'll never have to be blue Oh baby, I love you so

I mean you, baby
