B.B. King, I'm Putting All My Eggs In One Basket

I've been a roaming Romeo My Juliets have been many But now my roaming days are gone Too many irons in the fire Is worse than not having any I've had my share and from now on

I'm putting all my eggs in one basket I'm betting everything I got on you I'm giving all my love to one baby Lord help me If my baby don't come through

I've got a great big amount Saved up in my love account Honey, and I decided Love divided in two won't do So I'm putting all my eggs in one basket I'm betting everything I got on you

Now here's what I mean.

I've been a roaming Juliet
Yeah, she has
My Romeos have been many
You're right, baby
But now my roaming days are gone
That's what I wanna hear
Too many irons in the fire
Yeah?
Is worse than not having any
Um huh!
I've had my share and from now on
Yeah?

I'm putting all my eggs in one basket I'm betting everything I got on you Daddy! I'm giving all my love to one baby Lord help me If my baby don't come through

Got a great big amount
Saved up in my love account
Honey, I've decided
Love divided in two won't do
In two, won't do
So I'm putting all my eggs in one basket
I'm betting everything I got on you
I'm betting everything I got on you

I'm betting on you, baby. Got on you. I'm betting on you.
