

# B.B. King, Just A Little Love

Some people die for hate  
Some die for love  
Some die because  
They don't have mate  
But all I want  
All I want is a little love  
All I've ever wanted, people  
All I want is just a little love

All I want (All I want)  
A little bit of love (A little bit of love)  
All I want (All I want)  
Is a little bit of love (Is a little bit of love)  
All I want (All I want)  
Is just a little bit of love (Is just a little bit of love)

Everybody say the world is large  
But to me it's very small  
Out of all of these women  
I can't find no true love at all  
All I want  
Is just a little love  
All I've ever wanted, mm  
Is just a little love

All I want (All I want)  
Is a little bit of love (Is a little bit of love)  
All I want (All I want)  
Is a little bit of love (Is a little bit of love)  
I say all I want (All I want)  
Is just a little bit of love (Is just a little bit of love)

All I want (All I want)  
Is a little bit of love (Is a little bit of love)  
All I need (All I need)  
Is a little bit of love (Is a little bit of love)  
All I want (All I want)  
Is just a little bit of love (Is just a little bit of love)

All I want  
Is a little bit of love  
All I want  
Is a little bit of love  
All I want  
Is just a little bit of love
