## B.B. King, Let's get down to business

I'm glad to see you back, baby You been gone such a long, long time And now that you're back, baby Let's make up for long lost time Well, the day that you left me, baby I nearly went out of my mind I couldn't hardly sleep at night, baby Every morning i woke up crying So let's get down to business Yeah, let's get down to business Well, let's get down to business, baby You been gone such a long time Now i know that i love you, baby And i thought that you loved me, too Now, now that we're together, baby Tell me what are you going to do Well, what made us break up, baby I don't know till today But if it was my fault, baby I swear i'll change my ways So let's get down to business Yeah, let's get down to business Well, let's get down to business, baby You been gone such a long time Hey, let's, let's Let's get down to business, baby Well, well, well Let's get down to business Yeah, let's get down to business, baby You been gone such a long time I know that i love you, baby I say i thought that you loved me, too Now, now we're together, baby What are you going to do I said whatever made us break up, baby I don't know till today But if it was my fault, baby I swear i'll change my ways So let's get down to business Yeah, let's get down to business Well, let's get down to business, baby You been gone such a long time
