

B.B. King, My Gal Keeps Me Cryin'

My gal keeps me cryin'
My gal keeps me cryin'
Wringin' my hands and cryin'
Oh Lord, make her treat me right
I done got so
I can't stand her out of my sight

She's the best love I ever had
The best love I ever had
But sometime
My baby knows she makes me mad
Sometimes she makes me happy
Then again she makes feel so sad

Hey, she's the best love I ever had
The best love I ever had
But sometime
My baby knows she makes me mad
Sometimes she makes me happy
Then again she makes feel so sad
